6. (Internal Use Only - LLM) Spoke to Mr. Hanley, Department of State, concerning legislation to establish a U.S. Foreign Service Corp scholarship program (S. 390). Hanley said that as was the case last year Deputy Director General Howard Mace testified against the legislation before the Senate Foreign Relations Committee, stating that the existing sources for Foreign Service personnel were more than sufficient and that the proposed legislative program was not needed. Hanley said that the bill may well be favorably reported by the Senate Foreign Relations Committee, but felt that Representative Wayne Hays (D., Ohio) would support the Department's position if and when it reaches the House Foreign Affairs Committee.

19. (Secret - JMM) Met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, whom I briefed on ChiCom missile testing. Slatinshek called my attention to several "Resolutions of Inquiry" which had been introduced by Representatives Bella Abzug and Paul McCloskey which were of concern to the Agency. Slatinshek said that the Abzug resolution had been referred to the Armed Services Committee and he thought Chairman Hebert 'could handle it' but we should get in touch with the House Foreign Affairs Committee to which the McCloskey resolution had been referred.

20. (Confidential - JMM) Met with Roy Bullock and Al Westphal, House Foreign Affairs Committee staff, who explained the nature of the Resolutions of Inquiry and provided me with copies, of which two concern the Agency: one calling for details on the Phoenix program and another for information regarding covert Agency operations in Laos.

10. (Confidential - JGO) Met with Mr. Al Westphal, House Foreign Affairs Committee staff, who told me that the RFE/RL bill pending before the House District Committee has not been transferred to Foreign Affairs. He does not know whether Chairman Morgan has talked to Chairman McMullen about the matter. In any event, the Committee will be engaged through the 4th of July recess on considerations and markup of the AID bill. All other things being equal, it would appear that consideration of the Radios bill could not be undertaken by the Committee until after the 4th of July recess. I thanked Mr. Westphal for the information.

11. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that the Rooney Subcommittee has again disallowed funds for fiscal year 1972 for the ILO. [REDACTED] 25X1A
Europe Division, has been advised.

I briefed Mr. Preston on the completion of the Soviet military exercise "Yug."

12. (Secret - JGO) Met with Mr. John R. Blandford, Chief Counsel, House Armed Services Committee, who told me that H. R. 6483, relating to promotion of Marine Corps officers to the grade of general, probably will not come up before the floor of the House for 10 days to two weeks due to failure of the Committee to take the bill to the floor last Friday.

I briefed Mr. Blandford on the completion of the Soviet military exercise "Yug."

13. (Secret - JGO) Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and reviewed briefly with him the status of the Hanley Subcommittee review of legislation concerning protection of privacy of Federal employees. Mr. Slatinshek told me he will be pretty much tied up in the next week or so on matters relating to the draft bill and since there is no particular rush at the moment, he will put over discussion of the proposed letter from Chairman Hebert to Chairman Dulski until the draft bill is completed.

I briefed Mr. Slatinshek on Soviet use of airborne strategic command post; Soyuz-11 Salyut and the completion of the Soviet military exercise "Yug."
